

**The 5th Annual National Conference of
Society for Hand Therapy, India
30th September and 1st October 2016,
Goa Medical College , Goa, India.
Theme : Hand In Hand**

*I named it hand in hand because
when people work together,
hand-in-hand we can all make a difference*

- Austine Weïnerman

The organizing Committee of 5th ISHT invites all existing and aspiring Hand specialists and Rehabilitation Professionals to the Annual Conference of the Society for Hand Therapy, India, to be held at Goa Medical College, Goa, India, on 30th Sept -1st October 2016. The event promises to be one of its own kind, being a common platform for all health professionals to share their experts and to share their knowledge, as regards to management of hand and the upper extremity.

The scientific programs will be an excellent opportunity for professionals to share and witness existing and emerging trends in hand management and rehabilitation. The conference being a joint meeting of surgeons and therapists, would provide an insight into comprehensive hand rehabilitation.

We promise you a unique learning experience, which would help you in expanding your clinical, academic and research knowledge and skills.

We look forward to see you at the conference.
Sincerely,
From
Organizing Team of 5th Annual National
Conference of Society for Hand Therapy, India.
